The screenshot displays the IBM Cloud Dashboard interface. At the top, there is a navigation bar with the 'IBM Cloud' logo, a search bar, and links for 'Catalog', 'Manage', and the user profile 'BHUVANESHWARAN P...'. Below the navigation bar, the main section is titled 'Dashboard' with a dropdown arrow. To the right of the title are links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. The dashboard content is organized into a grid of tiles under the heading 'For you'. The first tile is a large blue 'Build' tile. Subsequent tiles include 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'IBM Watson Knowledge Catalog' (2 min), 'Build a Virtual Private Cloud (VPC)' (7 min), and a partially visible 'App Co' tile. Each tile contains a brief description and a 'Getting started' button. A 'Select an option' dropdown is located in the top right corner of the dashboard area.
